1	Letter No. P. 1325 dated 15th Nov. 40 from the Superintendent, Govt. printing, Bangalore, requesting orders as to whether the Sanitary Cess of Rs. 24/- levied on the Govt. Branch press buildings for 1939-40 by the Mysore City Municipal Council may be paid. It is stated that a Sanitary cess of Rs 24/- for the year 1939-40, has been levied by the Mysore city Municipal Council, on the Govt. Branch press buildings, Mysore, as it has been provided with a D.C. Latrine, and the night soil of the Branch press is being removed from the press premises in a Municipal Cart which is sent there daily. The Cess is said to be a service tax & leviable even on Govt. Buildings. No Sanitary Cess is paid on the Central press Buildings, Bangalore, as the Scavengers, borne on the establishment of the Central press, attend to the removal of the night-soil, which is carried in a Cart engaged for the purpose on Rs 20/- p.m., Rs 3/- being recovered monthly from the Contractor towards the Sale proceeds of the night soil. OFFICE OF THE SUPERINTENDENT,
GOVERNMENT PRINTING IN MYSORE,

Bangalore, dated 14th November *1940.*

FROM

B. KRISHNASWAMY CHETTY, ESQ., B.E., A.R.P.S., M.A.S.E.,
SUPERINTENDENT, GOVERNMENT PRINTING,
BANGALORE.

To

Charles Noronha, Esq., M.A.,
Secretary to Government, Development Department,
BANGALORE.

SIR,

I have the honour to state that the President, City Municipal Council, Mysore, has in his letter No.R.T.1832, dated 26-3-40, intimated to the Assistant Superintendent, Government Branch Press, Mysore, that a sanitary cess of Rs.24/- has been levied on Government Branch Press building (door No.1003), for the year 1939-40, as it is provided with a D.C.latrine. The cess is said to be a service tax and leviable even on Government Buildings, which are exempted from house tax, as per proviso to section 64 of the Mysore City Municipalities Act of 1933.

The Branch Press Building has got a D.C.latrine which is used by the Press Employees.

The night-soil of the Branch Press is removed by a scavenger borne on the permanent establishment and is carried in the municipal cart which is sent to the Branch Press daily.

At the Central Press, Bangalore, no saitary cess is being paid on the Central Press Buildings. The scavengers borne on this office establishment attend to the removal of the night-soil, which is carried in a cart engaged for the purpose. The cartman is paid Rs.20/- per mense and a sum of Rs.3/- ~~received~~ recovered from him monthly towards the sale proceeds of the night-soil. The President, City Municipal Council, Mysore, was requested in this office letter No.P.819 of 16-9-40 to exempt the Government Branch Press Buildings from the levy of the cess, as the tax for the mere use of the municipal cart does not seem to be fair. In reply, the President has stated in his letter No.R.T.1009 of 1-11-40 that the levy of the cess is fair and a sum of Rs.24/- for the year 1939-40 may be arranged to be paid. Copies of the above correspondence are herein enclosed for your kind perusal.

In these circumstances, I request to be kindly informed whether the Sanitary Cess for 1939-40 and ~~prepare~~ for future years may be paid, debiting the amount to the Branch Press contingencies.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent, 7/4/40
Government Printing.

****

With reference to your letter No.R.T.280 dated the 31st July 1940, addressed to the Assistant Superintendent, Government Branch Press, Mysore, regarding the question of payment of Sanitary Cess on the Government Branch Press Building bearing No.1003 in Chamaraja Mohalla, Mysore, I have the honour to state that no Sanitary Cess is being paid by this office on Central Press buildings. The scavengers borne on this office attend to the removal of the nightsoil and similarly the nightsoil is removed by the scavenger borne on the permanent establishment of the Branch Press. The Sanitary Cess is being claimed by the Mysore Municipal Council merely for carting the nightsoil from the Branch Press premises. As the levy of the sanitary cess for the mere use of the municipal cart does not seem to be fair,

I request that Door No.1003 may be exempted from the levy of sanitary Cess

Superintendent.
